

## OUR IDEAS

### [How to Give Design Feedback Like a Pro](#)

2 [Nica Lorber](#)  
June 13, 2013

Giving design feedback is hard, but with a few quick tips you do it like a pro. The Design Feedback Sandwich. The best way to keep designers happy and your project on track is to use what I call the Design Feedback Sandwich. Start by telling your designer a few things you like about the design.
